

# Area H

Area Boundary

Scale: 1:50,000

The most southern part of the count circle, begins at Blaine Peace Arch crossing and follows 0 Avenue east, close to 232nd Street. From here the imaginary arc of the count circles dips south and west-east of Haine and Stein Road and continues to Giles and Loomis Trail, past the railway line and onto Lincoln crossing the Birch Peninsula. It swings west about 2 miles into Semiahmoo Bay and intersects the imaginary border line from Kowaimus Point.
